

Visitor's checklist

- If this is your first visit, have you filled out a Form 27 Application to Visit a Prisoner (Personal Visitor) and sent it to the correctional centre along with appropriate identification?
- Have you booked your visit and checked the visiting time?
- Do you have appropriate identification with you, such as your driver's licence, passport, Medicare card, pension or social security card, birth certificate, or other photographic identification?
- Are you and your children dressed according to correctional centre rules?
- Have you left at home any unnecessary valuables or prohibited items? If the centre provides lockers to store your personal items (at a small charge), do you have the right money?
- Have you allowed plenty of time to get to the correctional centre well ahead of visiting time?
- If you are taking personal items for an inmate, have you filled in the appropriate paper work and has it been authorised?
- If you are planning to deposit money into an inmate's bank account, do you have the correct amount on you?
- Remember to use the bathroom before you enter the prison. If you need to use the facilities during your visit, you may only be allowed to continue with a non-contact visit or your visit may be terminated.

For further information, contact visits staff at this correctional centre.
